Disclaimer:

RISK WARNING: Trading in stocks, leveraged trading in forex, CFDs and/or other off exchange products carries high degree of risk and may not be suitable for all investors. Leveraged trading may work against you as well as for you.

The possibility exists that you could sustain a loss of all of your initial investment (deposit) or more than your invested capital and therefore you should not invest money that you cannot afford to lose. You should be aware of all the risks associated with trading on margin. Any indication of past performance or simulated past performance included in an advertisement published by MTradeGo is not a reliable indicator of future results. Before deciding to trade via MTradeGo please refer to our Risk Disclosure Statement and other relevant information provided by MTradeGo and ensure that you should carefully consider your financial condition and you understand the risk involved and seek advice from an independent financial and/or legal advisor respectively based on your home country, if necessary. You should be aware of all the risks associated with trading via MTradeGo. MTradeGo shall not be liable for either the capital lost and/or the loss thereafter. MTradeGo is merely a Software Provider and shall not hold any of the money from you as well as be liable for the marketing representative arrangement with you. The money shall be at the account of the service provider. We use tracking mechanisms, such as cookies, to make MTradeGo easy to use and to customise your experience with us. However, the cookies will not be used to identify you personally. By visiting MTradeGo, you consent to our use of cookies in accordance with our Cookies Policy. Please be aware that restricting cookies will prevent you benefiting from some of the functionality of MTradeGo.
